Thank you for your interest in the 2020 Yoga Farm Fest! We are looking for partners, collaborators and visionaries to help us grow our annual event. The 3rd annual Yoga Farm Fest is a 3-day event that will bring 300+ attendees. This first of its kind festival features a variety of offerings including yoga, meditation, music, SUP yoga, homeopathy, acupuncture, wellness talks, social gatherings, kids yoga and more. Inspirational teachers, musicians, scholars, and medical practitioners will lead classes in a beautiful outdoor setting.

Festival Mission: To celebrate mind, body, and soul by promoting health, wellness, and community through interactive yoga, music, food, drink, education and sunshine. Come breathe with us in nature for a weekend of yoga set to live music, meet your local farmers to understand where good food comes from, enjoy food that is created by local chefs, visit with local health-inspired businesses and vendors and learn more about a healthy lifestyle.
